

## **Atlantic Coast Hotel – Client Testimonials**

### **Allergan Pharmaceuticals**

"Allergan Pharmaceuticals have been using the facilities of The Atlantic Coast Hotel for a number of training courses involving our members of our Management and supervisory team. I have found the Atlantic Coast and it's staff to be highly professional in its approach and in how it packages and presents the services that we require. The service we have received is to date of the highest standard."

### **Architects Division, Iarnrod Eirean**

"The conference team were most professional and a pleasure to work with. The standard of accommodation was exceptional with well-appointed rooms and excellent food. The provision of state of the art conference facilities meant that we had a choice of means of presenting information. I can pay no higher compliment that to say we'd have no hesitation in recommending the hotel to anyone considering organising a conference or meeting of any description"

### **Bic Ireland Conference**

"We found the Hotel and Conference facilities to be conducive and adequate for our needs. Your staff are to be commended for their courtesy and attention to detail. We look forward to availing of your services in the future".

### **GlaxoSmithKline**

"We had a really good time at The Atlantic Coast and absolutely no complaints from anybody. The staff were a pleasure to work with, the food was great and the facilities and service excellent. We would have no hesitation in recommending your hotel to other Companies".

### **McDonald's Restaurants of Ireland Ltd.**

"This was the first time we used the Spirit + Soul Conference facilities at the Atlantic Coast Hotel and it will certainly will not be our last. The professionalism of the team from our time of arrival to departure was exceptional. We had a great Conference, a terrific time and enjoyed excellent food. We would have no hesitation in recommending the Atlantic Coast Hotel to any company organising a Conference or Meeting"
